

GET 100% OFF HIGH-EFFICIENCY LIGHTS IF YOUR BUSINESS IS IN HEBRON, RICHMOND, RINGWOOD, SPRING GROVE OR WONDER LAKE

Designed with your small business in mind, the Small Business Energy Savings (SBES) program offers free energy assessments and incentives up to 75 percent off the cost of recommended electric-saving projects.

For a limited time, small business owners in Hebron, Richmond, Ringwood, Spring Grove or Wonder Lake, Illinois can qualify for up to 100 percent off high-efficiency indoor fluorescent lighting from ComEd's *Smart Ideas for Your Business*®. Eligible customers can also receive up to 75 percent off the cost of other high-efficiency indoor lighting, outdoor lighting and other improvements to help your business save on energy costs.

TO QUALIFY, YOUR HEBRON, RICHMOND, RINGWOOD, SPRING GROVE OR WONDER LAKE BUSINESS MUST:

<p>RESIDE IN ZIP CODE 60034, 60071, 60072, 60081 OR 60097</p>	+	<p>GET A FREE ASSESSMENT BY MARCH 24, 2014</p>	+	<p>SELECT IMPROVEMENTS WITHIN 21 DAYS OF ASSESSMENT</p>
--	---	---	---	--

Don't miss out on this limited-time opportunity to brighten up your business, become more energy efficient and improve your bottom line.

Get your free energy assessment by March 24, 2014 to qualify.

REQUIREMENTS

This offer is not valid in combination with any other promotional offer and does not include taxes, special installation equipment, and recycling fees. Discuss installation costs with your Trade Ally. This offer is available on a first-come, first-served basis. This offer is subject to change or termination without notice at the discretion of SBES. Applicant must be a Small Business Energy Savings (SBES) eligible ComEd customer to qualify.

To find out if your small business meets the requirements outlined on the SBES application, visit ComEd.com/SmallBiz. Qualifying small businesses must also:

- Reside in one of these zip codes: 60034, 60071, 60072, 60081 or 60097.
- Be one of the first eligible small business owners to apply; the 100 percent off incentives are only available to a limited number of eligible businesses.
- Get a free energy assessment by March 24, 2014 (customers who complete an assessment after this date are eligible for the regular incentives from SBES).
- Sign the installation agreement for recommended SBES eligible electric-saving improvements within 21 calendar days of your energy assessment.
